Challenges for Prayer

Church leadership remains a critical bottleneck in further growth. Leaders who train, disciple and release other leaders into ministry and who minister in the Word and the Spirit are always needed. Pray for those involved in training through seminaries, Bible schools and TEE; there are literally hundreds across the country. Pray also for students who are hindered by lack of finance, facilities or time.

Amerindians from the Chaco have long been a marginalized and exploited minority, their cultures ravaged by the majority. Only in 1996 did the peoples of the Chaco region gain official title to their lands. Many of these groups' beliefs are a highly syncretized blend of Catholicism and animism. Chaco peoples have become believers through the work of CMS (Wichi, Toba, Chorote, Chiriguano), Mennonites, BMS and Argentinean Baptists (Wichi) and through WV (Guarani). Pray for maturing of the indigenous Church, and for both expatriates and mainstream Argentines to be sensitive to this. Pray also for ongoing translation programmes in indigenous languages (SIL/LETRA, UBS, CMS).
