Challenges for Prayer

Independence has brought optimism and hope. Montenegro is a small country but has great potential. If it can avoid the enmity between ethnic/religious communities that plagues most of the Balkans, there is much to look forward to. However, economic development (mostly through a burgeoning tourist industry and the aim of joining the EU) brings neither peace nor salvation, and less upright elements of society will now see the nation as a ripe new target for their vice. Pray for Montenegro to be a just, peaceful and corruption-free nation which enjoys ethnic harmony. Pray that people will seek the truth in the midst of their new-found nationhood.
