Answer to Prayer

Evangelicals' growth is rapidly accelerating. The last 20 years have witnessed significant growth in a country previously very resistant to the gospel. The Evangelical Alliance's efforts to double the number of congregations between 1998 and 2005 were completed – also doubling the number of believers in the process!

Challenge for Prayer

Lack of knowledge of God gives opening to a spirit of error. Afro-Brazilian Spiritism is the fastest growing religion in Uruguay. The largest non-Catholic religious bodies are cults and sects of questionable orthodoxy. While 81% believe in God, most adhere to a "do-it-yourself" spirituality influenced by New Age thinking. Pray for all religious deceptions to be exposed and the demonic powers behind them defeated.
