Florida

Welcome to the Florida State page

On our page you will find updates for prayer for our State and current prayer movement and events that you can participate in our beloved State. If you have any major prayer gatherings and events that you are involved in anywhere in Florida, I want to encourage you to contact me via email and let us know about them.

We believe that God loves Florida and Florida loves God. We are praying everyday that Jesus's name would be lifted up and He will draw all men unto Himself.

Bless you and thank you for praying with us.
